Sewerage Services Department Sarawak responses to general public's queries through feedback form for year 2014:

Received Date	Questions/Queries/Inputs	Responses	Response Date
2014-03-02	I want to know whether there is any empty position left for LI trainee. I already read all the description. It mentioned only 2 post of LI trainee will be accepted. If I submitted the requested documents, when will we be inform if the application approved? Is there any other special requests for LI trainee which not mentioned in the description?	This Department can only accommodate two (2) trainees at any one time so that we can effectively monitor and guide the trainees. We regret that for the period from June to September this year, we have already agreed to accept two (2) trainees	2014-03-03
2014-03-06	I would like to ask whether there is any place for internship student? I would like to apply at your company if there is any place. Kindly contact me via email. Thank you	Thank you for your interest in our Department. However, we regret to inform you that our Department does not offer any internship programme	2014-03-06
2014-07-16	Hi. I would like to know if your treatment plant has ever encounter hydrogen sulfide problem which could cause corrosion to metals and concrete. I would really appreciate if you could direct me to the person in charge regarding this matter. Hope to hear from you soon	Our Kuching Centralised Sewage Treatment Plant has been operational for about a year and our two (2) septic sludge treatment plants in Sibu and Miri has been operational since 2011. We are glad to inform you that we do not have any issue with hydrogen sulfide at these plants.	2014-07-18
2014-11-18	What is the monthly charge for domestic sewerage	Thank you for your enquiry. I presume you mean the monthly charges for domestic sewerage connected to our newly completed centralised sewerage system. Please be informed that the State Government has not decided on the charges because the Property Connection Work is still on-going	2014-11-18
